## FAST FIELDING WINS FOR TEAM OF TRAVELERS

Wreckers Downed When En Sue and Moriama Play Spectacular Bill Sunday

En Sue and Chinito Moriama defeated the 25th Infantry at Athletic Park on Sunday afternoon, by and with the consent of the other players, of course, and with some assistance. The score was 5 to 2, and had not these two players made sensational stops and catches it might have been about 8 to 5 in favor of the Wreckers. Hoon Ki was hit hard throughout the game, but the fast fielding of En Sue, who cut off two certain home runs and at least a triple, gave the Travelers the edge, and then Chinito Moriama delighted the hearts of the Travelers' supporters by playing a real game at second base. No matter how hard they hit them, Chinito was there and Hoon Ki can be grateful for the great work of the Japanese player. Lang Akana also butted into the line when he pulled a Crafton catch in field with one hand that was a regular stab.

The Travelers played good ball for the most of the game and then they went up in the ozone. Ayau had been getting everything, while Ah Lee worked in big league fashion on the first sack, but Lang, Ayau and Swani bobbled and the 25th Infantry scored two runs.

Waterhouse was sent out on the mound for the 25th Infantry, but he didn't have a thing, and Auston took the burden of the work and this southpaw did not allow the Travelers a run in the four innings he pitched. Capt. Ayau planned a campaign against the Wreckers and it worked to perfection, and although the Wreckers put in pinch hitters who made good, they could not catch the Travelers. The Chinese players could not steal on Swinton and Johnson, but they did take advantage of the five errors made by the Wreckers.

## General Samuel Johnson Proves to Be Gridiron Star

Gen. Sam Johnson, in addition to being an excellent marksman is a great exponent of the gridiron game, and was one of the prime movers in organizing the strong National Guard team which has been making a great showing in the series to date. The general is a former star, and after his showing of Saturday the word former must be eliminated. In this picture he is seen breaking into the play in real fashion. He is shown in the center of the picture forming interference for the runner.

## PUNAHOU SQUAD AND SHAFTER TO PLAY WEDNESDAY

Game Scheduled at Alexander Field for Benefit of Army Relief Fund

(Special Star-Bulletin Correspondence)  
 PORT STATER, Nov. 12.—It has been arranged that the 2d Infantry and Punahou football teams, about the best representative football organizations at present on the island, will clash on Alexander field on Wednesday of this week at 3:30. The proceeds of the game will be donated through the kindness of Oahu College and the Fort Shafter athletic authorities to the Army Relief Society. The game should be the best that has been witnessed in this section of the country so far this year. Punahou has out-classed most of the teams in the interscholastic league, and the 2d Infantry has acquired some reputation by recent achievements with Kamehameha and the National Guard.

Every man in the 2d Infantry team is trained in the fitness of the game and is in splendid physical condition. It will give the people of Honolulu an opportunity also to see a mid-week game, and the music by the 2d Infantry band and the singing by Punahou college will make added attractions, but the cause for which the game will be played, the Army Relief, should appeal to every person interested in the United States army.

Midkiff, the Punahou coach, states that his team will have completely recovered from the bruises of the Kam game by Wednesday, and he can assure everyone that the Punahou players will try to maintain their excellent past record of triumphs; while Capt. Scott, in charge of the 2d Infantry warriors, can assure with equal confidence that the game should be an excellent contest of skill and assures the public that no better football battle will be seen than the one promised for Wednesday.

The commanding general and his entire staff will be invited and the militia authorities also will be asked to lend their interest to this "relief" cause so dear to the hearts of all interested in military affairs.

The entire Fort Shafter garrison is hoping to be present. The tickets for the game will be sold at the grounds, in the companies and at all exchanges, and the price will be nominally 25 cents, but you can pay more for them if you wish to contribute to the cause. The entire proceeds will be given to the army relief and the affair for this reason will be quite a social afternoon function as well.

The gratitude of the army is extended to the trustees of Oahu College for their donation of the grounds, and as an expression of appreciation and in order that the Honolulu public may hear the singing and the cheering of the Punahou cheering squad, the members of the school are invited to attend the game as the guests of the 2d Infantry.

It is not known as yet how the teams will line up for the game as Midkiff states that he may make some changes from the lineup of the Kam game to meet the heavier lineups of the army, while Capt. Scott will decide, after testing the relative speed of his double set of backs, to effect the sprinting ability of Noble, Hawkins and Peterson of Punahou.

## STAR-BULLETIN GOLFERS BEAT DRUGGIST TEAM

And it came to pass that an aggregation of polite and mortal jugglers from the Benson, Smith & Company drug store fell before the sterling golfers of the Star-Bulletin on Sunday at Moanalua links. The apothecary personages were forced to take their own medicine, and the newspapermen demonstrated their superiority to the tone of 21 to 6.

Riley H. Allen and Hans Theone were forced to meet two of the leading grass cutters of the drug emporium, and the Rexall crowd had counted on a victory in these matches, but although Alexander conquered the world he missed about 18 holes on the Moanalua course, and as a result was forced to neglect the prescription as Allen played sterling golf throughout. The feature of the day was the work of Hans Theone, who met McGill. Little Hans weighs 68 pounds in his liveliest slipp, but when the 18th hole was over he was seven up. Hans used a brassie and a mashie, and when he was asked why he used two clubs, he said that was all he needed. McGill in an interview later said that the two clubs answered the purpose. The 13-year-old golfer made a score around 90.

When the returns began to come in the drugists were leading, but after the returns from Germany and Minnesota were counted it was found that the Star-Bulletin had won. The points scored in the 18 holes play were as follows:

## ADMIRALTY HAS BUSY DAY WHEN BRAVES WIN OUT

Perry and Neson Show to Form and St. Louis is Defeated After Great Rally

On land as well as on the sea said the battery of the Braves yesterday afternoon at Athletic park, and Perry and Neson, the two admirals, got in action and defeated the fast St. Louis team by a score of 5 to 4. Captain Statton called to game in the sixth inning, and in its frame the St. Louis team scored four runs, one less than a tie.

Despite the fact that the full lineup was not present the St. Louis team played good ball and the fielding of both teams was feature of the game. Hayseiden, the outplay of the St. Louis team, fanned eight Braves in five innings, but Perry hit a homer over the left field fence in the third, which gave the Braves an advantage.

Anahu made some great plays around the third base, and Silva handled himself in excellent fashion. A return game between these two teams in the near future would be a big card. Perry pitched well in the pinches up to the sixth inning, when the St. Louis players made five hits.

The baseball fans want to see the Pacific League team play. That was evidenced on Sunday, when two-thirds of the crowd appeared before 1:30. They gave the youngsters a hand and helped to encourage the coming ball players of Honolulu.

## NATIONAL GUARD BEAT ARTILLERY SQUAD SATURDAY

Napihaa and Correa Star for Local Team; Whitcomb Plays Great Ball

It was a real Punahou day on Saturday at Alexander field, and the fireworks started when Napihaa, Correa and Midkiff started for the National Guard, and the home team walked away from the Field Artillery gridders by a score of 32 to 0.

Napihaa and Correa, two Punahou students, were the stars of the game. They circled the Artillery ends and demonstrated that the Punahou team of last year had a real punch. Correa did the booting and performed in excellent fashion. Whitcomb was a tower of strength in the line, and the tackle around play gained much yardage. Gen. Johnson, who went into the game late, proved to be a great ground gainer, and the Artillery men failed to stop him until he reached the secondary line of defense.

In the first period Correa scored on an end run, and then Napihaa caught a forward pass and ran across the goal line, but was called back. A minute later Correa ran 45 yards around left end for a touchdown. In the second period Napihaa gave McCandless an excellent interference, and the full-back ran for a touchdown. Napihaa carried a punt back 15 yards and then circled end for another touchdown.

National Guard made its last score on a fake kick, and Napihaa circled end for 40 yards and ran across the goal line. Marks and Johnson went into the game in the last period, and both distinguished themselves with especially good work. Carter, Moore, Thompson, Akana, Woodrow Among and Hart were a tower of defense and the Artillery made but few gains. Daniels, Ulven, Bastian and Keener played good football for the Artillery.

## BLUE AND GOLD TEAM HUMBLER KAM GRIDDISTS BY SCORE OF 19 TO 0

Punahou Walks Away From Opponents in Game at Alexander Field on Saturday—Jinx Still Hovers Around and Kamehameha Warriors Fail to Show Strong Attack Against Midkiff—Kauhane and Dower Were Stars; Cheering Excels

As when the icebergs are thick or about the time that a candidate for president is picked, then we shall see the Blue and Gold team scoring a victory over the Kam team. It may be a Kamehameha, but the Blue and Gold team is fully Punahou and about the same time year after year Link quit running for completed perhaps it will come.

That Kuhn also witnessed the defeat delegate, but Kam at Alexander Field of the Kam championship for the year on Saturday was safely lodged at away, and the "Beat Punahou" was thirteenth time, the Blue and Gold team of the Kam Oahu College, who forgot their lines, the slogan at the time walked away with team, but the Blue and Gold team Punahou veritas.

The King street played better football than the Blue and Gold team. Although Kam played well, they didn't have a touchdown through the show the headwork. Dower played Midkiff's team well, but he didn't line for big gains. The Blue and Gold team got all that was possible, but they didn't have the best of the day.
